PETITION

TO the Legislative Assembly of Ontario:

WHEREAS the Province of Ontario through the Ontario Energy Board has selected a location for a gas fired electrical generating power station within three kilometres of 16 schools and more than 11,000 homes; and

WHEREAS the Oakville – Clarkson airshed is already one of the most polluted in Canada; and

WHEREAS no independent Environmental Assessment has been completed for this proposed building location; and

WHEREAS Ontario has experienced a significant reduction in demand for electrical power; and

WHEREAS a recent accident at a power plant in Connecticut demonstrated the dangers that nearby residents face;

WE THE UNDERSIGNED petition the Government of Ontario to immediately rescind the existing plan to build a power plant at or near the current planned location on Lands owned by the Ford Motor Company on Royal Windsor Drive in Oakville and initiate a complete review of area power needs and potential building sites including Environmental Assessments and a realistic assessment of required danger zone buffer areas.
